

Completely Healed of Hepatitis C!

Almost 32 years ago I was in a truck accident. I was burnt over 67% of my body. At this time they weren't testing blood as easy as they do now. As part of my recovery I received a blood transfusion. About five years ago I went to give blood, and I was told that I could not give blood because they found a trace of Hepatitis C. I was prayed for by Pastor Jeff and had a physical last week, and there was no sign of Hepatitis C. Amen! (*Jim Warfield*)
