

This past Sunday Robin was spontaneously filled with the Holy Spirit and began to speak and sing in tongues. This happened during a time of worship at the front of the sanctuary after people responded to a prophetic Word of Knowledge calling people up for healing. Many people responded to this Word including Robin.

While she was at the front she felt something happening and at first resisted. (*She had been one who questioned all this kind of thing.*) But then she let go and began to sing in tongues!! She also began to receive the gift of Interpretation of Tongues because she could understand in English what she was singing and saying!

“Now I’m planning on attending Wednesday night Kingdom Ministry Training”, she said. HOW AWESOME IS THIS?!?!?!
