

Between Chad's bonus and our tax return this year we were able to pay off ALL of our credit card debt! We have been carrying this debt since we got married. It just kept getting bigger and bigger with car problems, needing groceries early on in our marriage – etc. We have prayed and prayed for it to be gone, continuing to tithe and give faithfully. God is so faithful! He brought us thru it, and now we are finally FREE! This will free up \$180 a month for us! We believe this is just the beginning of it. We have student loans, and a car loan we believe to be gone soon too!! (Marissa Brady)
