Here is the final count on our crusade with the Rhema Mission Team. In 5 days of crusade we visited fifteen small towns or villages. We had 3 groups assigned to their respective places... each to preach daily for five days. All together we listed 3,279 names that declared Jesus as Lord & savior. And, 604 individuals received instant healing. The Heavenly Host were rejoicing as the Gospel was preached & salvation was received by these hungry Filipino people. Rhema Team, thank you for your obedience, time, and for the sacrifice each of you made. And for those of you who made a commitment to prayer for this event, Thank You! (Ethel and Mike Keyes)
