

On April 17th I did not have the money for rent, my bills, or for the quarterly taxes I owed to the IRS, State of Colorado, and unemployment. I had a bit of money I was saving for food and gas to feed us and get Dyllan to school daily. I had been praying every morning, but I was in fear over my financial difficulties... I couldn't shake them. Then I emailed Pastor Jeff and asked for help and prayer.

He emailed me back and explained the power in God's Word. He helped me understand that the words I speak have tremendous power, as do the words I'm hearing. These *words* are the great tool of Faith! He also stated, "If you're not tithing you've placed yourself in a position making it difficult to receive all God has already released for you. "Tithing," he said, "is the FIRST way you defeat the devil and release your faith for supernatural provision."

I decided to start repeating Psalm 23 anytime I felt afraid: (which in part says: "The Lord is my shepherd; I shall not want... though I walk through the valley of

the shadow of death, I will fear no evil:... Thou preparest a table before me in the presence of mine enemies: ... my cup runneth over.”)

I took 10% of all the money we had and gave it back to God as a Tithe at church on Sunday. Pastor Jeff prayed with me and we stood in agreement.

On May 1st, my rent was paid in full, all the tax payments owed were made. Our house bills were paid, and there was gas in the car and food in our home. Truly, “I Did Not Want!”

Today when I went to Church I was so excited to tithe the “first fruits”, 10% of everything I had made since my first tithe. The power of the Word and tithing has Changed My Life! (Ken Fry)
