

Glory To God My Provider!

At first I wasn't going to write this testimony because I didn't want to sound like I was bragging. However, after a little meditation, I've decided that the bragging I am doing is about my Heavenly Father and what a wonderful provider HE is!

Last time you heard from me was in April. God had delivered us from the financial burden of the "*Tax Man*" and my rent payment. I stayed the course and kept meditating on the Word of God... practicing the principles in "*The Power of the Spoken Word*" (by Charles Capps) and tithing from my income.

In April I tithed 10% of everything we had at that time which came to \$30.00. I have just reconciled my checkbook and see that the money I tithed during the month of June was \$965.00! *To God be the glory!* While this is a miracle in one respect, but on the other hand it is not. It's the *Law of Sowing and Reaping!* God wants us to prosper (3 John 1:2). He wants us to be happy, joyous, and free (Luke 12:32; Romans 14:17).

I give an hour or a little more to reading and meditating on the Word every morning. I tithe and I speak the promises from God's Word that the Father has declared over my life. My life has been totally turned around! I just wanted to say *Thank You God! Thank You Jesus!*

If you are having problems in life I beg you to ask God for Help... find the promises from His Word that apply to you and your circumstances and begin declaring them over Your life!! (Ken Fry)
