

## Supernatural Knee Restoration!

I recently had surgery on February 4th & May 13th, replacing both of my knees. I am still in therapy for strengthening my knees. Wednesday evening, of this week of praying for others healing... at the beginning of worship, both knees incisions were tingling and later I went to the altar and was able to kneel on my knees, then I was able to just stand up, without anyone's help . . . something I had not been able to do for at least 20 years!!
